

Your input is vital in ensuring that the finalised 6Cs GI Strategy is both applicable and informative to you and our other partners across the Growth Point

- Release of the consultant's recommendations as a Consultation Draft version of the Strategy with an **8 week window for wider stakeholder review.**
- Provide comments by completing the Consultation Draft Response Form and submitting this to the GI Development Co-ordinator before the deadline of **5pm Friday 4th Dec 2009.**
- There is still an opportunity to recommend further information and data to inform the evidence base behind the strategy but this will need to be submitted at the same time as the Consultation Draft Response Form.

Consultation Questions

- Do you agree with the Strategic Aims identified for the GI approach in the 6Cs Growth Point?
- Do you agree with the Strategic Objectives identified?
- Do you support the proposed Vision?
- Do you agree with the broad locations and proposals for Sub-Regional Corridors/Urban Fringe GI Enhancement Zones/City-scale GI Networks?
- Do you find the content of the 'The Delivery Framework' helpful?
- Do you support the Key Actions identified in Action Plan: Part One?
- Are you involved in an existing or proposed GI initiatives that would contribute to the 6CS GI Network that you would like to see included in Action Plan: Part Two?
- Do you think that existing mapped data within the Technical Appendices provides an accurate representation of strategic GI assets within the 6Cs?
- Do you hold any additional datasets or information that should be incorporated to inform the Technical Appendices?

Please take the time to review and discuss the content of the Consultation Draft with colleagues whilst completing the response form.
