5. We hope that in attending this event you had an enjoyable and informative experience. If you have any further comments or feedback please use this space to let us know.

- “V good!”
- “No time for general questions”
- “It has been very interesting to be able to exchange ideas with other officers from a related background, related geographical area and other areas as well”.
- “Very useful and well organised – thank you!”
- “Thanks Sharon and well done, excellent”
- “Please try and make the GIS information as well as the mapping and other outputs available on the 6CsGI website. Clearly it would save a lot of time if we can obtain a complete set of GIS tables/layers from one location rather than re-collect the data from multiple and numerous sources”

Thank you for your participation
